Jan. 1-2, 2010(Race)

This will be an IKF National event. IKF rules apply.  
IKF President Bill Hilger has agreed to be the Race Director.

Here is the basic list of classes: IKF weights, rules will apply, we will have it more detailed in a few days. After talking with IKF President we have come up with this plan. Some will like it and some won't.

Pre-registration will be key at keeping some of these classes alive. If any class does not have a good amount of pre-entries, the class may be dropped.

IKF has agreed to make this a National event without the drivers becoming IKF members.
